

MACIEJ TELEGA

FULL-STACK DEVELOPER

Profile

I have a keen interest in Web Development and technology. Being a driven and diligent individual I constantly strive to further my knowledge in the field. I am eager to be challenged in order to grow and further improve my skills. I most enjoy my work when I am programming, so I am looking to establish a career that focuses more heavily on development. I am a mature team worker and adaptable to all challenging situations.
